St Paul's Road,
ShIPLEY,
BD18 3DZ

From 11th March 2024, The Cellar Trust is moving to another location in ShIPLEY while some renovations are carried out at Farfield Road.

Unit 12, Park View Court, St Paul's Road, ShIPLEY, BD18 3DZ

Health and Well-being Community Campus

Why are you renovating?

We will be developing our existing site at Farfield Road into a new Health and Well-being Community Campus where you will be able to access a range of services from The Cellar Trust, the NHS and other charities.

You can find out more about the renovation on our website. You can also get email updates via our newsletter thecellartrust.org/newsletter/

What does this mean for me?

If you have sessions or appointments with The Cellar Trust or Bradford District NHS Foundation Trust (BDCFT) NHS Talking Therapies which would have usually been at our Farfield Road, Shipley site, from **11th March 2024**, your sessions will be taking place at **Unit 12 Park View Court, Shipley, BD18 3DZ**. It's only a short distance away near Shipley Swimming Pool and Asda and is based alongside other local charities Carer's Resource and All Stars. Take a look at the **Getting there** section if you're not familiar with our new location.

Some group work will remain onsite at Farfield Road in the Annex building.

What will my sessions be like at the new location?

Please be assured, you will have the same support worker. Most of our staff from Farfield Road will be moving too so you may recognise some friendly and familiar faces.

Our premises at Park View Court offers an accessible and welcoming reception area and safe and confidential rooms for your sessions with us.
